IN RE: Application of Logical Telecom, LP, d/b/a LN Prepaid for a Certificate of Public Convenience and Necessity to Provide Resold Intrastate Interexchange Telecommunication Services and for Alternative Regulation of its Interexchange Service Offerings
Docket No. 2007-348-C

Dear Mr. Terreni:

On September 24, 2007, Logical Telecom, LP, d/b/a LN Prepaid (Logical) filed a motion for protective treatment of its financial statements which were attached as Exhibit C to the application. The Office of Regulatory Staff (ORS) does not object to the motion for protective treatment of the financial statements subject to the condition that the protection does not extend to reports Logical will be required to file with ORS, such as annual reports, Universal Service Fund worksheets, and gross receipts reports.

Additionally, ORS may request additional financial information from Logical in evaluating its application. To the extent these additional documents may contain proprietary information, ORS will treat them in the same manner as those documents subject to the protective order.

Please accept the original of this letter for filing and return the copy enclosed to me in the envelope provided. Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let me know.

Sincerely,

Shealy Boland Reibold
